Huron High's First Graduating Class Celebrates 50th Reunion

The first graduating class of Huron High School — The Class of 1953

BY MARGARET O'KELLEY

It was an exciting evening at "Apple Charlie's Pavilion" on September 12th. Old friendships were rekindled and lots of hugs and kisses were given as the Huron Class of 1953 held their 50th Reunion.

The Class of '53 invited the

Class of '54 and created a combined class reunion with a total of 71 graduates in attendance.

According to members of the committee it was a grand evening with a delicious buffet dinner, announcements, and lots of awards and socializing. The entertainment hit of the evening was Apple Charlie with his presentation of "special" awards. Pat Taylor and Artie Stoner said they were really funny.

On a more serious note the committee stated they received letters from two of their retired teachers who were unable to attend. When the letters were read, there were some pretty wet eyes among the group.

Pat and Artie said they were looking forward to their 55th.

The class especially wanted to thank Charlie and Mary Grover for their generous donation of the pavilion for the reunion.

The 2003 Reunion Committee were: Evelyn (Nowland) Detlor, Marge (Van Der Voort) Fry, Charles and Mary Grover, Alvin Kamin, Mose and Marcia Nowland, Arthella (Swim) Stoner, Pat (Nowland) and Tom Taylor and Nancy (Delano) Wood.

When interviewing Artie Stoner and Pat Taylor they related a little anecdote demonstrating how much things have changed since '53, "A female class member married over the summer and the school board had to call a special meeting to decide as to whether the girl

would or would not be allowed to return to school. They decided she could return but first she had to talk to the principal. He stated she could return on the

condition that she not discuss her home life with the unmarried students. That principal was Carl Renton." Times most certainly have changed.

The Huron School Board had the second reading of the new Electronic Device Policy at the November 17th meeting. The policy reads as follows:

Students, upon the request of, and with permission of their parent(s)/guardian(s), or request of the student him/herself if over eighteen years of age, may be in possession of a cellular telephone, pager/beeper or other electronic communication device. Use of the device shall be limited to the period before classes begin in the morning,

during the students' lunch period except in grades 6, 7, and 8, and after the students' last class after dismissal. Such device shall not be used during instructional time or in the passing of time between classes.

In no cases will any personal communication device be allowed that provides for a wireless, unfiltered connection to the internet.

2003 Panoz GT Pro Series Auto Racing Season Champions

Gavin Riches of Ft. Myers, Florida, and David Barr of Duluth, Georgia today were officially declared season champions in their respective classes for the 2003 Panoz GT Pro Series, based on results certified by the International Motorsports Association.

Runner up in the GT Class was Eddie Mady of Boca Raton, Florida, and third was Audrey Zavodsky of New Boston, Michigan.

In the GTS class of privately owned cars, second place went to Wes Ramsdale of Long Grove, Illinois and third place

went to Shayne Stephens of Tulsa, Oklahoma.

Though Riches, two-time champ, won by a 14-point margin over perennial rival Mady, going into the final race of the season at Petit Le Mans on October 18, Riches had been trailing Mady in the series by two points. With two laps to go in the final race, Mady's car was involved in a mishap on the back turns, and he was unable to finish.

By successfully capturing the pole for the final race, Barr made it mathematically impossible for anyone to over-

take him, regardless of the outcome of the GTS event. That turned out to be the case when Barr's Viper crashed in another series the day prior to the Panoz GT Pro Series race, injuring Barr's back sufficiently enough to put him out of the competition.

The season's official standings as certified by the IMSA are:

GT CLASS

Name	Points
Gavin Riches	67
Eddie Mady	53
Audrey Zavodsky	46

GT Champion: Gavin Riches, Ft. Myers, FL — Runner Up: Eddie Mady, Boca Raton, FL; Third Place: Audrey Zavodsky, New Boston, MI.

GTS Champion: David Barr, Duluth, GA; Runner Up: Wes Ramsdale, Long Grove, IL; Third Place: Shane Stephens, Tulsa, OK

Local Race Driver Audrey Zavodsky of New Boston, MI, pictured here from an earlier race, has continued to excel in her field. In the recent 2003 Panoz GT Pro Series, she claimed third place in the GTClass.

Dem Caucus United: TAKE UP TRASH!

State Representative Kathleen Law (D-Gibraltar) and House Democrats, including House Democratic Leader Dianne Byrum (D-Onondaga), held a press conference on October 23rd where they unveiled a letter signed by the entire Caucus to Speaker of the House Rick Johnson (R-LeRoy).

The letter requested that Johnson direct the Land Use and Environment Committee to schedule a hearing on House Bills 4098 and 4099, legislation that would curb the importation of out-of-state and Canadian trash. If no hearing was scheduled, the letter said, the House Democratic Caucus would have no choice but to pursue a discharge motion to bring these bills to the House Floor for a vote.

The bills put forth by Law and House Democrats are:

HB 4098, which allows Michigan to reject trash from states that have a regulatory system less stringent than the rules we impose on ourselves; and, HB 4099, which adds returnable containers to the list of items prohibited from disposal in Michigan landfills.

For nine months, House Democrats have waged an intensive campaign, launched the trash-o-meter and yard signs and conducted a series of Trash Town Hall meetings in communities across the state, especially in those areas most affected by the importation of foreign and out-of-state garbage, including Sumpter Township.

AUTO EMERGENCIES

1. Make it easy to get helped. Place an envelope in your glove compartment marked "In Case of Accident" that contains the name and phone number of a person to notify in case of emergency, doctor's name, blood type and allergies.
2. Keep a "throw-away" camera in your glove box so that you can photograph damages, license-plate numbers, street signs and configurations, construction work or other obstacles, and anything else that gives you information for filing and proving an insurance claim if there's been an accident.
3. Keep an old blanket in the trunk for picnics, for warmth in case you get stranded in the cold, and to drape over the back of the trunk and the bumper when you are loading or unloading a dirty car and don't want to mess up your clothes.
4. Keep the following in your trunk. Flares or reflective triangles, jumper cables, abrasive material for traction (sand, salt, cat litter), flashlight, sleeping bag or blanket.

Butternut Casserole

In my quest for updated recipes, I have reproduced a great new alternative to candied sweet potatoes. This recipe combines a sweet squash, the tartness of cranberries, the crunchiness of pecans and with a touch of apple cider and hone, you won't even miss the marshmallows.

Butternut Casserole

1 small Butternut Squash	2 Tbs Butter - melted
peeled, seeded & cut 1" dice	1/2 cup Apple Cider
1/4 cup dried Cranberries	2 Tbs. Honey
1/2 cup pecans	1 Tbs. Rum or
whole or broken	1 tsp rum extract

Preheat oven to 350 degrees.

In a 2 to 2.5 liter covered casserole, combine squash, cranberries and pecans. In a medium size microwavable bowl combine cider, honey and butter. Heat just until butter is melted. Stir in rum and pour over the squash, toss to coat thoroughly. Bake 45-50 minutes.
